From: Al Allison, President & CEO  
Subject: Weekly COVID-19 Update  
Date: July 10, 2020

A blue ink handwritten signature, appearing to be "Al Allison", is written over the "From:" line of the email header.

Baptist Homes Society's battle with the COVID-19 virus continues. Since our last weekly update on July 2, 2020, there have been no residents or staff at the Baptist Homes and Providence Point campuses who have tested positive for COVID-19. There are currently no residents or staff members who are symptomatic for COVID-19 on either of our campuses.

The skilled nursing, personal care, and memory support residences continue to follow the Governor's mandates regarding visitation, communal dining, group activities, and beauty and barber services. In addition, staff and visitors continue to be screened for signs and symptoms of COVID-19 at the time of entering our buildings. Staff and visitors must wear a mask at all times while in our buildings. All packages for healthcare residents are to be left outside our entrances for delivery by our staff.

Baptist Homes Society continues to work on plans for the re-opening of our campuses. The updated guidelines issued by the Pennsylvania Department of Health outline the process to follow in an incremental lifting of the restrictions noted above. We will keep you apprised of our progress in this process.

The resurgence in the number of positive cases in southwestern Pennsylvania is continuing, prompting the Department of Health to extend their restrictions and orders for residents of Allegheny County for two additional weeks. Therefore, in order to help to contain the spread of COVID-19 and to keep ourselves, our families, and the residents we serve free from the COVID-19 virus, each of us must be diligent to continue to:

- Wear a mask while at work, ensuring mask covers both nose and mouth,
- Follow the mandate of the state's expanded face-covering and mask-wearing order to, essentially, wear a mask "whenever anyone leaves home,"
- Practice social distancing of 6 feet or more,
- Continue to observe appropriate cough and sneeze etiquette,
- Continue to wash hands frequently for at least 20 seconds with soap and water, and
- Use hand sanitizer frequently when hand washing is not practicable.

Thank you for your continued understanding, cooperation, and compliance with all of the measures that are in place due to COVID-19.

Please continue to keep Baptist Homes Society, our residents, and our staff in your prayers.

God bless you.
