Subject: Weekly COVID-19 Update  
Date: October 21, 2020

Baptist Homes Society continues our ongoing battle with the COVID-19 virus. Since our last weekly update on October 16, 2020, no residents, staff or any other individuals on either campus have tested positive for COVID-19.

As previously noted, in accordance with the guidelines issued by the Pennsylvania Department of Health, family visitation for skilled nursing and personal care has been temporarily suspended on the Mt. Lebanon campus. Beauty and barber services have been temporarily suspended for all Baptist Homes campus residents at this time. Family visits will continue on the Providence Point campus.

The skilled nursing, personal care, and memory support residences continue to follow federal and state mandates regarding visitation, communal dining, group activities, and beauty and barber services. In addition, staff and visitors continue to be screened for signs and symptoms of COVID-19 at the time of entering our buildings. Staff and visitors must wear a mask at all times while in our buildings. All packages for healthcare residents are to be left outside our entrances for delivery by our staff.

New COVID-19 cases continue to be reported and increase in Allegheny County and throughout Pennsylvania. In order to help to contain the spread of COVID-19 and to keep ourselves, our families, and the residents we serve free from the COVID-19 virus, each of us must be diligent to continue to:

- Wear masks while at work,
- Follow the state's mandate of the expanded face-covering and mask-wearing order to, essentially, wear a mask "whenever anyone leaves home,"
- Wear masks appropriately, **ensuring mask covers both nose AND mouth,**
- Practice social distancing of 6 feet or more,
- Continue to observe appropriate cough and sneeze etiquette,
- Continue to wash hands frequently for at least 20 seconds with soap and water, and
- Use hand sanitizer frequently when hand washing is not practicable.

Thank you for your continued understanding, cooperation, and compliance with all of the measures that are in place due to COVID-19.

Please continue to keep Baptist Homes Society, our residents, and our staff in your prayers.

God bless you.
